## BROADSTONE FOOTBALL CLUB

### Club Community Statement

Broadstone Football Club (BFC) exists for the promotion of community participation in healthy recreation for the benefit of the inhabitants of Poole by the provision of facilities and activities for playing football.

BFC is dedicated to teaching the youth of our community the fundamentals and proper techniques of football. Our emphasis is on developing physical fitness, sportsmanship, teamwork, and leadership skills in a positive and safe environment. We strive to provide opportunities for all participants to develop individual skills and abilities while being a contributing member of a team. It is important to the club that we provide a way for our players to build lasting friendships, great memories, and have fun!

The coaches are dedicated to promoting the core values of the club. Wins and losses are not a priority for our coaches; developing life skills and individual character is what guides our coaching decisions and actions. Coaches are expected to lead by example in both words and actions on and off the football field. Coaches accept responsibility of the development of our players as both players and persons while under their direction. Our goal is to be a club that not only develops players that parents and coaches will be proud of, but also guide our players to becoming positive contributors to any team they choose to be a part of.

Martin Smith  
Club Chairman
